

Reposition of the Blessed Sacrament

Adorer:

My Lord Jesus Christ,
it is my privilege to spend this time with you,
so to revere the sacred mysteries of your Body and Blood
so that I may experience in myself the fruits of your
redemption.

When you handed yourself over to death on the cross,
you entrusted to your Church, your holy body and blood as a
banquet of love.

It is Your great love for us that keeps You day and night
present in the Blessed Sacrament.

Watch over me Lord, until my next visit to adore you.

Amen
