

MORE TO THEIR STORY

CONNECTING WITH YOUR DIGITALLY CONNECTED TEEN SEMINAR

West Michigan Youth for Christ will be hosting the 'More to Their Story' seminar at St Patricks. This will take place on Tuesday, October 14 from 7-8 PM.

Our hope is through this seminar, you will not only leave feeling more educated on the topic about teens and tech, but also encouraged and equipped to begin taking steps toward connecting with your teen(s). We want to see a generation of engaged families that are striving to reflect God's kingdom, and we believe family connection and relational community is a large part of that.

WHAT TO EXPECT

- Informative, encouraging, and Biblically focused training seminar about how to connect with your digitally connected teen
- Relevant topic for your church body
- 50-minute workshop with light refreshments
- A completely FREE workshop for you!
- Additional free resources for attendees

NEXT STEPS:

1. Register by scanning the QR code below.

2. Arrange childcare*. We love kids, but we also highly value giving you a space to focus and learn.

**If the seminar is scheduled during Sunday School or a time when childcare is already naturally provided, you do not need to do this.*
